MISSION STATEMENT

The Friends of the Jackson County Memorial Library (JCML) is a non-profit organization comprised of people who love reading, understand the impact of literacy on the quality of society, and believe in the endless possibilities and adventures that can be found between the pages of a book. Our vision is:

- ◇ To increase public usage, while enhancing community support, awareness, and enthusiasm for the Library and its resources, especially among the youth of Jackson County.
- ◇ To enrich the lives of those who live in Jackson County by sponsoring special projects, events, and programs that utilize our public library and its many assets.
- ◇ To stimulate dedication to, and focus public attention on, library services, expansion, facilities, and needs, while encouraging donations, gifts, endowments and bequests to the JCML.
- ◇ To provide added financial support to the library by various fundraising, membership dues, and book memorials along with recruiting volunteers to supplement the paid staff and performing other services needed to support the library.
